Veterans of the Abraham Lincoln Brigade

with author/photographer Richard Bermack

Wednesday, April 5

7:00pm-reception; 7:30pm-program

Richard Bermack's photography exhibit and presentation takes the audience on the remarkable journey of the Veterans of the Abraham Lincoln Brigade, from the Spanish Civil War to the present, mapping the progressive struggles of the last half century. Highlighting how these activists dealt with McCarthy Era persecution, Stalin's atrocities, the Civil Rights and anti-Vietnam War movements, and the U.S. war in Iraq, Bermack brings to life tales of uncompromising valor and integrity.
